MISSIONS SPOTLIGHT

Marty Zide (Midwest Messianic Center, St. Louis) would like us to pray for their new staff worker, John Coffman, who is training for the ministry with MMC. John accompanied Marty when Marty was with us last. John will graduate this May from Bible college. He is eager to learn from Marty about the ministry of MMC, Jewish culture, and gain an understanding of Scripture regarding Israel. Marty himself passes on a couple of praises. One, for the safety of a year of much travel during 2025, and the ministry accomplished. Two, he continues to make good progress in recovering from shoulder surgery he had last summer.
